

Modeling Session

A complete session for those needing a new portfolio or to update an existing portfolio. Includes up to 2 hours of photography time. On location and outdoors, up to 5 outfits; various poses, fashion fun, business attire, sporty and close-ups. Mix of black & white and color images. Go to www.michaelbellphoto.com/Models_Fashion for more ideas and samples of our work.

After the session you receive approx. 200 images on a cd, ready for printing, posting on-line, e-mail, Facebook, your portfolio, whatever you want to use them for. We'll include a release letter, so you can get them printed anywhere you like.

This is a 1 ½ up to 2 hour session. You're granted the right to use your images from this session. Change outfits, your hair and your look for a variety of looks to your session.

Retouching and digital enhancement also available.

Modeling Session and Portfolio Prints: \$395.00+ tax.

\$100 is due at the time you schedule this session, check, cash or credit card.

The balance of the session fee is due at time of the session.

No Personal checks for the last payment; we accept cash and all major credit cards.
